

## PRODUCT LINES

### Pneumatic Automation

#### Actuators

Imperial/NFPA and Metric/ISO  
Tie Rod  
Roundline  
Stainless  
Extruded aluminum  
Compact  
Rotary Actuators  
Precision Slides  
Rodless Cylinders

#### Valves

Solenoid  
Inline  
Manifold  
Fieldbus Valve terminals  
Manual and Mechanical

#### Process

Brass Ball Valves  
Stainless Ball Valves  
Butterfly Valves  
Actuated Assemblies  
Process actuators

#### Filters and Regulators

#### Fittings and Tubing

Metric and Inch

#### Vacuum

Suction cups  
Grippers & Mounting elements  
Vacuum Generators  
Vacuum Switches  
Vacuum filters

#### Accessories

### Motion and Electronic Controls

PLC - Programmable Logic Controllers  
Circuit Breakers  
Human Machine Interface

#### Electric drives

#### Linear drives

Motion Controller  
Motor Control

#### Robots

#### Grippers

Servo Systems  
Variable Frequency Drives  
Machine Vision

### Sensors, Switches and Transducers

**Barksdale**  
CONTROL PRODUCTS  
Barksdale, Inc./Barksdale GmbH  
A Subsidiary of Crane Co. HOME

#### Sensors

Inductive  
Capacitive  
Optical  
Light curtains  
Safety Solutions

#### Switches/Transducers

Pressure  
Flow  
Level
